ORDER

Before the Court is CATIC USA, Inc.'s ("AVIC USA") Motion to Stay Further Discovery Pending Determination of Jurisdiction by Court of Appeals (Doc. No. 388) ("Motion to Stay"). Respondents appealed this Court's Order Confirming

Arbitration Award and Final Judgment. In its briefing notice to the parties, the Fifth Circuit requested briefing on whether complete diversity exists among the parties. AVIC USA subsequently filed this opposed Motion to Stay, arguing this Court may lack jurisdiction to rule on any post-judgment matters, including Movants' two pending post-judgment motions. The Court has reviewed the parties' briefing on this issue as well as applicable law. In light of the Fifth Circuit's briefing request, the Court hereby **stays** any further discovery in this case as well as any pending motions.

SO ORDERED.

Signed May 21st, 2019.

ED KINKEADE
UNITED STATES DISTRICT JUDGE
